

# The elephants are fighting

---

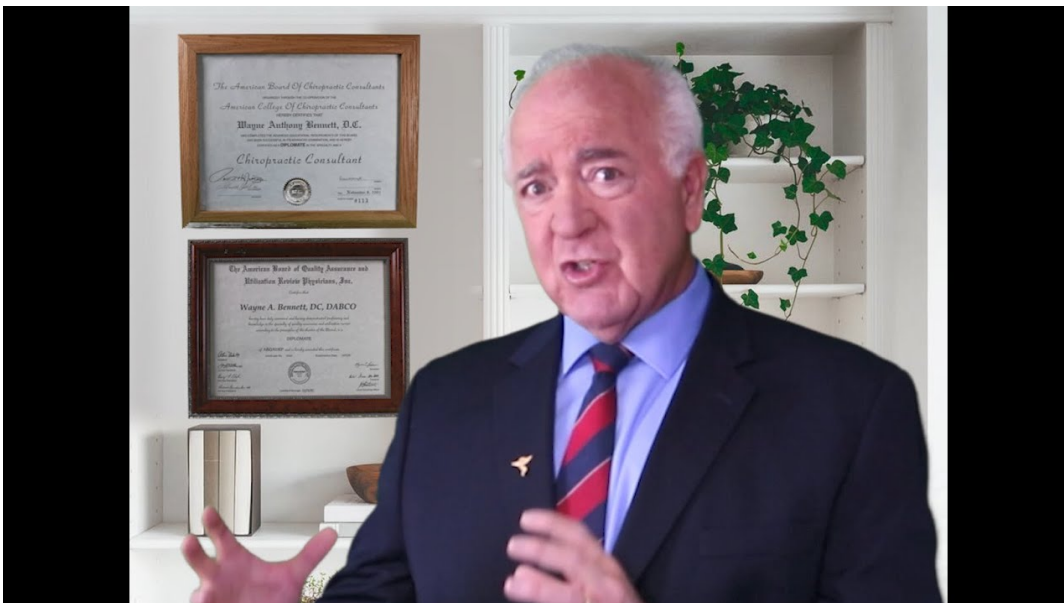

Wayne Bennett

---

**Abstract:** Informed commentary for leaders of the profession regarding 3 meta-events: the implementation ICDM-11 in the USA with the paradigm shift in the management of chronic pain which recognises the failure of the pharmaceutical model and the ascendancy of the biopsychosocial model; the best practice for the chiropractic management of chronic pain; and tele-health.

**Indexing Terms:** Chiropractic, chronic pain, ICDM-11, tele-health, biopsychosocial model.

## A presentation by video

“  
... three meta-events  
are impacting  
chiropractic this year,  
I discuss each and offer  
guidance on how best  
to manage them ...”
